# Get the Flat Rate that stays flat in every state: Priority Mail Flat Rate®.

With Priority Mail Flat Rate®, no matter where you ship within the U.S., it's just one Flat Rate per box size up to 70 lbs. No one else makes shipping rates this simple. Plus, these recent improvements to our domestic Priority Mail make us the smart choice for your business:

- ★ **Improved USPS Tracking™.** With up to 11 scan points from pickup to final delivery.
- ★ **Insurance is free.** Most packages qualify for insurance up to \$50 at no charge.
- ★ **Know when it's expected to arrive.** Get the estimated delivery date at checkout.†

Even better, you still get predictable, upfront pricing to anywhere in the U.S. — no complicated calculations based on zones and no surprise surcharges:

- ★ **No hidden charges.** With no surcharges for regular Saturday delivery, next-day package pickup or address correction.
- ★ **If it fits, it ships®.** With Priority Mail Flat Rate®, you have multiple options, with a wide variety of flat rate envelopes and box sizes.^^

Now more than ever, our priority is helping your business be more competitive.
